CORE SERVICES

12 divisions under one contractor

Cathodic Protection & Corrosion Control

Keeping buried and submerged steel from corroding.

- Supply and installation of cathodic protection systems
- Cathodic protection TRU filters
- Maintenance of existing systems
- Ongoing technical support

Earthing & Lightning Protection

Earth grids and lightning protection to LPS Level 1, 2 and 3.

- Design, supply and installation
- LPS Level 1, 2 and 3
- Work to Eskom standards
- Earth-grid design for substations and facilities

Water & Pipeline Engineering

Pipeline systems, augmentation and condition assessment.

- Water management
- Pipeline systems and pipeline augmentation
- Condition assessment of pipeline networks
- Life-expectancy assessments

Green Energy & Solar

Solar systems and renewable energy.

- Solar systems
- Renewable energy solutions

Fire Detection & Suppression

Fire detection, fire suppression and gas suppression.

- Fire detection
- Fire suppression
- Gas suppression
- Design, supply and installation

HVAC

Heating, ventilation and air conditioning.

- Design
- Supply
- Installation

Electrical Installation & Maintenance

Electrical installation and maintenance.

- Electrical installation
- Electrical maintenance

Security Systems

CCTV, alarms, access control and security gates.

- CCTV
- Alarm systems
- Access control
- Security gates

Mining Ventilation

Ventilation for mining operations.

- Mining ventilation

Mining Equipment & Yellow Plant

Excavators, dump trucks, TLBs, crushers and spares.

- Excavators
- Dump trucks
- TLBs
- Crushers

Logistics

Day-to-day logistics and truck supply, through Riverfox Logistics.

- Day-to-day logistics
- Truck supply

Facilities, Building Maintenance & Landscaping

Building and general maintenance, handyman work and landscaping.

- Building maintenance
- General maintenance and handyman services
- Landscape design, supply and installation

SELECTED CONTRACTS

What we delivered, and our role on each

PROJECT AND CLIENT	LOCATION	SCOPE DELIVERED	RIVERFOX'S ROLE
Cathodic protection TRU filters Rand Water	Gauteng, South Africa	Supply and installation of cathodic protection transformer rectifier unit (TRU) filters. Cathodic Protection & Corrosion Control	**Supplier and installer**
Siteki & Siphofaneni substations Consolidated Power Projects	Eswatini	Survey and design of complete earthing and lightning protection systems for two substations. Earthing & Lightning Protection	**Subcontractor to Consolidated Power Projects: survey and design**
Chris Hani Baragwanath Hospital	Soweto, South Africa	Supply and installation of fire detection systems in Zebra Ward and Paediatric Ward 45. Fire Detection & Suppression	**Supplier and installer**
